## CHRISTMAS GIFT CAMPAIGN 2018

### Sponsorship Christmas parcels - it is that time of the year again!

#### Child parcel for R620

*Something practical e.g. hygiene items, socks/gloves, a toy, sweets and other treats.*

#### How it works

The project consists of purchasing and assembling items for gifts for families and institutionalised children in our field countries. The gifts are personally delivered by our field staff during December. This project has proven to be very cost-effective, as well as extremely convenient for our sponsors.

Variations between the countries' parcels are unavoidable due to brands and availability. However, we will aim to include the items above (and even more) in each parcel.
